

Dear families,

To continue to support our schools, students, staff and families, York Region District School Board is pleased to be able to facilitate in partnership with York Region Public Health and the Ministry of Education, voluntary targeted COVID-19 testing. In addition to daily screening, masking and the other [health and safety measures](#), targeted testing in schools is an important layer of protection that helps to limit the spread of COVID-19.

This is in addition to the testing being offered at the George Bailey PS and George Street P.S. sites outlined in the [communication from York Region Public Health](#). Please note, the George Bailey site is closed on April 2, 2021.

Targeted testing will help ensure that our schools remain a safe environment for all to learn and work in.

Targeted COVID-19 testing is voluntary for asymptomatic students and staff and will take place at:
