

Summer Institute Electives

Aldergrove S.I. (Located at Wilclay P.S.)

****Available to youth entering Grades 4-8 only.**

Artzcool

You don't have to be an artist to be cool! If you like using your creativity, this is the place for you! Painting, drawing, colouring, collage making, crafts, and so much more! The sky is the limit because we try it all!

Digital Creative Design

Learn how to create cutting edge advertisements, pictures, and YouTube videos. You will learn beginning areas of Print & Web graphic design, including colour theory, digital images, design, electronic prepress, page layout, web page design, and digital video.

Field Invaders

Have you ever used a bowling pin for something other than bowling? In the Field Invaders fanatic, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games you will play will range from "Capture the Flag", "Spud", "Frozen Critters" to various forms of dodge ball. Don't forget the famous game of tag, but with a twist! Participants will also have an opportunity to create their own games.

Fine Arts

We take great pride in the extensive visual arts programs available at SI. Participants may explore their creative possibilities. Whether your child is a gifted artist or simply delights in experimenting, there is something for everyone.

Makerspace

Participants can plan, create and manipulate their creative ideas. They will have opportunities to invent tinker, explore and discover using a variety of tools and materials, and technology.

MD2 Studio

MD2- music, dance, and drama, is a class to explore elements of the performing arts. Investigate your artistic interests and create a variety of pieces to express your individuality, working with digital tools and other instruments.

Naturally Curious

Take a closer look at the world outside your doorstep! Go on an insect safari, play some cool interactive nature games, make some nature crafts, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

Rhythm Fusion

Get a real BANG out of your summer! Explore your musical interests and create exciting pieces of music through a variety of kinesthetic forms such as drumming, body percussion, working with digital tools, and a variety of other instruments.

Sportacular Fun

Participants will enjoy a variety of fun filled games while learning the tactics, strategies and fundamental skills of team and individual sports.

Wacky Science World

Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will learn new and exciting concepts that will excite the scientist at heart.
