IS EXTENDED CHILDCARE AVAILABLE AT THIS SITE?

Extended childcare will not be available at this Summer Institute location. Extended childcare will be offered at select Summer Institute locations, through a third-party provider. Please visit www.yrdsb.ca for extended childcare locations and registration information. For additional information, please email performanceplus.si@yrdsb.ca.

WHAT DO PARTICIPANTS NEED TO BRING?

- A peanut-nut free lunch
- Sunscreen
- A hat
- Water/juice to drink
- A change of clothes (t-shirt, shorts, socks...just in case!)
- A smile, positive attitude & sense of humour!

WHAT SHOULD PARTICIPANTS WEAR?

- Respectable attire
- Comfortable shoes (running shoes are required for all athletic activities)
- At-shirt (bring a sweater or jacket on cool days)
- Shorts (or pants if it's cool)

WHAT IS THE SUMMER INSTITUTE BEHAVIOUR POLICY?

The Summer Institute values personal safety, self-respect, respect for others, respect for property and respect for programs. Individuals who are unable to help us promote these values may have a discussion with a Program Leader; experience a restriction of privileges; or be temporarily or permanently removed from the program with no refund.

WHAT IS THE CANCELLATION POLICY?

Before June 1, 2023 will be fully refunded, less a \$25.00 per week, per child, administration surcharge. After June 1, 2023, the full registration fee is non-refundable unless the request is accompanied by a medical certificate.

Personal information is collected pursuant to the Education Act and will be used to 1) properly place your child in the Summer Institute programs; 2) make contact with parents/ guardians/emergency contacts should an issue arise; and 3) to ensure your child's health needs are understood. This information will be retained from 12 months from the date of last use. If you would like more information please email Laryssa Harvey, performanceplus.si@yrdsb.ca

Sixteenth Avenue PS - Summer Institute

Programs

The daily program is comprised of a language block in the morning, along with activities in the afternoon. During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.

Words Alive

For children entering SK & grade 1, Words Alive is designed to further build literacy and numeracy skills. Activities may include: chants, music, games and puzzles, guided reading sessions, word hunts, and math mini lessons balanced with recreational activities such as music, soccer, field games, drama, arts & crafts and computer publishing.

Clubhouse

For children entering grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy and math activities designed to encourage problem solving and a growth mindset, balanced with recreational activities that may include: soccer, volleyball, arts & crafts, computer publishing, ball hockey and much more!

Skills and Motion

For youth entering grades 4 & 5, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

Skills and Motion 2

For youth entering grades 6, 7 & 8, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

Electives

During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:

Actors Studio

Love to be on stage? Come have fun learning the basic fundamentals of drama and improvisation in a fun-filled atmosphere where creativity and individual expression are encouraged.

Ball Hockey

Participate in the ultra-popular summer sport of ball hockey. Participants will work on passing, shooting and game strategies.

Clay Play

Using clay and your creativity to make something from nothing, you will create your own item from scratch with raw clay. After you have created an original piece of art, you will use acrylic paint to enhance your design.

Coding Robotics

Coding is the way we tell computers to do all the helpful things they do for us. From finding a contact on your phone so you can send a message, to directing a rocket into space, computers follow lists of instructions, a coder, or programmer has written. You can learn to code by starting with a short, simple program. Once you understand the basics, you can build up to bigger projects.

Connect and Create

Interested in learning about circuits and what makes them work? Join us for a fun, hands on exploration and learning about circuits, electricity and simulator tools. Students will work in groups and through self-directed learning to explore and create activities and objects with circuits.

Cycling

Interested in learning how to maintain a bike? Want to know the rules for the road? Then come biking with us through the community; we'll lead the way! This elective is not recommended for beginner bikers.

Dance

Participants will enjoy a week full of the latest music while they learn and perform cool dance moves in the SI dance studio.

Game On

In GameOn, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games will range from "Capture the Flag", "Spud", "Frozen Critters" to various forms of dodgeball. Participants will also have an opportunity to create their own games.

International Language – Farsi

Provides any child with the opportunity to immerse themselves in an international language. Participants who register for this elective will learn about the language and culture through different mediums such as, art, media, and literature, while also learning to listen, speak, read and write in the international language.

Jam Session

Ever wanted to produce, create, and perform your own music? Well, here's your chance to put the wheels into motion. Become a true composer by learning how to use technology, percussive and string instruments, to express yourself in a creative way!

Knit Knots

See a single string transform into something with form and beauty, almost like magic! Participants will learn a variety of knitting strategies and patterns. Create great projects that are as useful as they are beautiful.

Marvelous Makers

Participants will plan, create and manipulate their creative ideas. They will have opportunities to invent, tinker, explore and discover using a variety of tools and materials, and technology.

Math Wizard

Get ready to enjoy a week exploring and problem solving through themed and hands on, mathematical activities. Participants will work on different projects each week, incorporating concepts that will engage young mathematicians.

Net Sports

Looking for fast-paced excitement? Learn the fundamentals of a variety of net games like badminton, tennis, table tennis and volleyball and apply them to game situations.

Ready, Set, Cook

Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

Sew Crafty

Create cool crafts and hot trends in Sew Crafty! A hand sewing program that will teach you hand stitching and embroidery. Create one-of-a-kind pieces that will catch everyone's attention.

Sights and Sounds

Using online and packaged software on most home computers, come to "Sights and Sounds" and see the cool things you can do with photography, sound/ audio, and videos.

SI's Got Talent

Do you have an unique talent? Can you sing, dance or play an instrument? Practice your hidden talent and show off your act.

Soccer

"Pass, shoot and score!" In this elective, participants will make use of a variety of training equipment to take their soccer skills to the next level.

Summer Olympics

If you have an interest in exploring sports from around the world and want to train for the SI Summer Olympics, this is the perfect program for you. Participants will learn different sports and games from around the world and partake in a number of team building challenges. At the end of each week, you will participate in the Summer Institute Olympics with your team and co-competitors!

Swipe, Tap, Capture!

Lights, Camera, Action... is what they used to say. Now, it's more like, "Hey, are you recording this?". With digital video and photo capturing becoming so easy and accessible, come to "Swipe, Tap, and Capture" to get some entry-level training on taking and capturing excellent digital imagery.

Tech Fanatics!

Come join us to explore the world of technology where we will checkout coding, robotics, and circuitry. Create something out of nothing.

Tech Wizards

Come join us to explore new and innovative ways to code. Throughout the session, we will examine coding in our world and how it has become an important part of our lives. We will explore coding through different mediums.

Visual Arts

Bring your artistic side to life! Experience working with various materials and mediums. Project choices are only limited by your imagination.

Volleyball

"Bump, set, spike!" Setting, passing, serving, and spiking are only some of the techniques you'll get to practice while playing this energetic sport.

Wacky Science World

Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will earn new and exciting concepts that will excite the scientist at heart.

Yoga

Try this non-competitive physical exercise to build your stamina, concentration and muscle power! You will learn poses and postures to strengthen your muscles and mind while controlling your breathing and movements. No special equipment required, just you!

INFORMED CONSENT AGREEMENT & ACKNOWLEDGEMENT

It must be made clear that participation in the Summer Institute including the various activities may present risk of injury. The York Region District School Board (YRDSB) does not provide any accidental death, disability, dismemberment or medical expense insurance on behalf of the participants in these activities.

I/We understand that certain activities do require a minimum level of fitness and health and, as such, each person has a different capacity for participating in these activities. In recognition that participation in the Summer Institute is a voluntary choice, I/We understand exercising this choice may entail the assumption of risks and results that are sometimes inherent to these activities.

YES NO I/We hereby affirm that my/our child, ward or self is physically fit and is able to participate independently.

I/We agree that the York Region District School Board and/or its employees and/ or agents shall not be liable for any injury to my/our child, ward, including self, or loss of damage to the property arising from, or in any resulting from, participation in these activities, unless such injury, loss or damage of my/our child, ward including or self is caused by the solely and entirely due to negligence of the Board or its employees, and/or agents while acting within the remit and scope of their duties.

YES NO I/We are aware that student photographs, videotaped images, voice recordings, artwork, writing or other school work be may recorded, displayed or used in Board and school-specific internet web pages and documentation for presentation purposes. Therefore, I/We, the undersigned, consent to the use of the noted records and images by YRDSB for the student named herein.

I/We hereby affirm and certify that the above information contained on this form is accurate.

I/We declare that, having read and understood the above informed consent agreement in its entirety, I/We consent and agree to participate in all of the above mentioned. In addition, I/We further understand that all Summer Institute programs are subject to availability.
