Maple Leaf PS - Summer Institute

Programs

The daily program is comprised of a language block in the morning, along with activities in the afternoon. During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.

Words Alive

For children entering SK & grade 1, Words Alive is designed to further build literacy and numeracy skills. Activities may include: chants, music, games and puzzles, guided reading sessions, word hunts, and math mini lessons balanced with recreational activities such as music, soccer, field games, drama, arts & crafts and computer publishing.

Clubhouse

For children entering grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy and math activities designed to encourage problem solving and a growth mindset, balanced with recreational activities that may include: soccer, volleyball, arts & crafts, computer publishing, ball hockey and much more!

Skills and Motion

For youth entering grades 4 & 5, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

Skills and Motion 2

For youth entering grades 6, 7 & 8, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

Electives

During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:

Artzcool

You don't have to be an artist to be cool! If you like using your creativity, this is the place for you! Painting, drawing, colouring, collage making, crafts, and so much more! The sky is the limit because we try it all!

Ball Sports

Looking for fast-paced excitement? Learn the fundamentals of a variety of ball sports like tennis, volleyball, hockey, football, soccer, and basketball and apply them to game situations.

Basketball

An emphasis on basketball fundamentals is provided: ball handling and dribbling, fast breaks, lay-ups, passing, rebounding, setting screens, and zone defense.

Comic Book Wizard

Young cartoonists – here is your chance to create your own cartoon characters and the situations they find themselves in. You will learn how to create faces, settings and perspective and examine the use of line, text and colour.

Game On

In Game On, you will learn a new “high energy” game every day that you can play with your family and friends. Some of the games will range from “Capture the Flag”, “Spud”, “Frozen Critters” to various forms of dodgeball. Participants will also have an opportunity to create their own games.

Games Wizard

Invent your own reality! Learn about and play games such as chess, checkers, backgammon, minecraft, and wizards 101. Get ready to enjoy a week exploring and problem solving through themed and hands-on activities. Participants will work on different projects each week, incorporating concepts that will engage young minds.

International Language – Farsi

Provides any child with the opportunity to immerse themselves in an international language. Participants who register for this elective will learn about the language and culture through different mediums such as, art, media, and literature, while also learning to listen, speak, read and write in the international language.

MD2 Studio

MD2- music, dance, and drama, is a class to explore elements of the performing arts. Investigate your artistic interests and create a variety of pieces to express your individuality, working with digital tools and other instruments.

Naturally Curious

Take a closer look at the world outside your doorstep! Go on an insect safari, play some cool interactive nature games, make some nature crafts, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

Ready, Set, Cook

Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

Scooter Skills New to scooting? Learn the basic skills to safely ride a scooter and practice fun tips and tricks while exploring the local geography.

Wacky Science World

Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will learn new and exciting concepts that will excite the scientist at heart.
