Ministry of the Ministère de Environment l'Environnement

Part III Form 2 Section 11. ANNUAL REPORT.

| Drinking-Water System Number: | 260011661 |
|---------------------------------|-------------------------------------|
| Drinking-Water System Name: | Morning Glory PS |
| Drinking-Water System Owner: | York Region District School Board |
| Drinking-Water System Category: | Small Non-Municipal Non-Residential |
| Period being reported: | 01/04/2024 to 31/03/2025 |

| <u>Complete if your Category is Large Municipal</u> <u>Residential or Small Municipal Residential</u> | Complete for all other Categories. |
|----------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Does your Drinking-Water System serve more than 10,000 people? Yes [] No [x] | Number of Designated Facilities served: |
| Is your annual report available to the public | Did you provide a copy of your annual |
| at no charge on a web site on the Internet? Yes [x] No [] | report to all Designated Facilities you serve? |
| | Yes [x] No [] |
| Location where Report required under | |
| O. Reg. 170/03 Schedule 22 will be available | Number of Interested Authorities you |
| for inspection. | report to: 1 |
| | Did you provide a copy of your annual report to all Interested Authorities you report to for each Designated Facility? Yes [x] No [] |

Note: For the following tables below, additional rows or columns may be added or an appendix may be attached to the report

List all Drinking-Water Systems (if any), which receive all of their drinking water from your system:

| Drinking Water System Name | Drinking Water System Number |
|----------------------------|------------------------------|
| Morning Glory PS | 260011661 |

Did you provide a copy of your annual report to all Drinking-Water System owners that are connected to you and to whom you provide all of its drinking water? Yes [x] No [..]

Indicate how you notified system users that your annual report is available, and is free of charge.

[x] Public access/notice via the web

Describe your Drinking-Water System

Morning Glory P.S.is served by an on-site well water supply located on the west side of the school. The original well is drilled to a depth of 14.03 metres below grade, where water is obtained from a confined clay aquifer. The new well was drilled on September 25, 2007, and is located on the west side of the school and the well is drilled to a depth of 19.0 metres below grade, where water is obtained from a confined clay aquifer. In order to comply with minimum treatment requirements, ultraviolet disinfection equipment was installed at this school (note there are 2 UV treatment systems in parallel). Filtration is provided by 5 micron cartridge filters (in parallel prior to UV). As an extra precaution, chlorine feed equipment and turbidity meter were installed even though they were not required by the regulation. In 2007 UPS power back up units were installed for the turbidity meter, chlorine analyzer, chessell recorder and UV system to provide power to the water treatment system for up to three hours in case of a power failure. Two automatic shut off valves were installed to stop water flow in the event the UV disinfection unit alarms due to loss of intensity. This prevents untreated water from being distributed to the system when the UV cannot provide an adequate level of disinfection. New UV units were installed and an updated Engineering Evaluation Report was completed August 12, 2019.

List all water treatment chemicals used over this reporting period

Sodium Hypochlorite (12% Chlorine solution)

Were any significant expenses incurred to?

- [..] Install required equipment
- [x] Repair required equipment
- [..] Replace required equipment

Please provide a brief description and a breakdown of monetary expenses incurred

The cost to install, repair and replace required equipment, as well as the contractor to service the equipment and test the water, is approximately \$22, 807.84.

Provide details on the notices submitted in accordance with subsection 18(1) of the Safe Drinking-Water Act or section 16-4 of Schedule 16 of O.Reg.170/03 and reported to **Spills Action Centre?**

Incident Date | Parameter | Result | Unit of Measure | Corrective Action | Corrective Action Date

Microbiological testing done under the Schedule 10, 11 or 12 of Regulation 170/03, during this reporting period.

| | Number of Samples | Range of E.Coli or Fecal Results (min #)-(max #) | Range of Total Coliform Results (min #)- (max #) | Number of HPC Samples | Range of HPC Results (min #)-(max #) |
|--------------|-------------------------|-----------------------------------------------------------------|-----------------------------------------------------------------|-----------------------------|--------------------------------------------|
| Raw | 13 | 0 - 0 | 0 - 0 | | |
| Treated | 26 | 0 - 0 | 0 - 0 | 26 | 0 - 126 |
| Distribution | | | | | |

Operational testing done under Schedule 7, 8 or 9 of Regulation 170/03 during the period covered by this Annual Report.

| | Number of Grab Samples | Range of Results (min #)-(max #) | | |
|----------------------------------------------------|------------------------------|-------------------------------------|--|--|
| Turbidity | n/a | n/a | | |
| Chlorine | n/a | n/a | | |
| Fluoride (If the DWS provides fluoridation) | n/a | n/a | | |

NOTE: For continuous monitors use 8760 as the number of samples.

NOTE: Record the unit of measure if it is **not** milligrams per litre.

Summary of additional testing and sampling carried out in accordance with the requirement of an approval, order or other legal instrument.

| Date of legal instrument issued | Parameter | Date Sampled | Result | Unit of Measure |
|------------------------------------|-----------|--------------|--------|-----------------|
| | | | | |
| | | | | |

Summary of Inorganic parameters tested during this reporting period or the most recent sample results

| Parameter | Sample Date | Result Value | Unit of Measure | Exceedance |
|--------------------------|-------------|--------------|-----------------|------------|
| Antimony | 01/02/2022 | .0006 | mg/L | No |
| Arsenic | 01/02/2022 | .0002 | mg/L | No |
| Barium | 01/02/2022 | .053 | mg/L | No |
| Boron | 01/02/2022 | .015 | mg/L | No |
