

Maple Leaf PS - Summer Institute Electives

****Available to youth entering Grades 4-8 only.**

Artzcool

You don't have to be an artist to be cool! If you like using your creativity, this is the place for you! Painting, drawing, colouring, collage making, crafts, and so much more! The sky is the limit because we try it all!

Ball Sports

Looking for fast-paced excitement? Learn the fundamentals of a variety of ball sports like tennis, volleyball, hockey, football, soccer, and basketball and apply them to game situations.

Comic Book Wizard

Young cartoonists – here is your chance to create your own cartoon characters and the situations they find themselves in. You will learn how to create faces, settings and perspective and examine the use of line, text and colour.

Game On

In Game On, you will learn a new “high energy” game every day that you can play with your family and friends. Some of the games will range from “Capture the Flag”, “Spud”, “Frozen Critters” to various forms of dodgeball. Participants will also have an opportunity to create their own games.

Games Wizard

Campers will explore a variety of classic and modern board games, while building strategy, focus, and good sportsmanship. They will learn new skills and challenge friends in a fun, supportive environment.

International Language - Farsi

Provides any child with the opportunity to immerse themselves in an international language. Participants who register for this elective will learn about the language and culture through different mediums such as; art, music, and literature, while also learning to listen, speak, read and write in the international language.

MD2 Studio

MD2- music, dance, and drama, is a class to explore elements of the performing arts. Investigate your artistic interests and create a variety of pieces to express your individuality, working with digital tools and other instruments.

Naturally Curious

Take a closer look at the world outside your doorstep! Go on an insect safari, play some cool interactive nature games, make some nature crafts, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

Ready, Set, Cook

Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

Scooter Skills

New to scooting? Learn the basic skills to safely ride a scooter and practice fun tips and tricks while exploring the local geography.

SI's Got Talent

Do you have an unique talent? Can you sing, dance or play an instrument? Practice your hidden talent and show off your act.

S.T.E.A.M. Challenge

Science, Technology, Engineering, Art and Math are key skills in today's society. Participants will be challenged to plan, create and manipulate their creative ideas to respond to different challenges. They will have opportunities to invent, tinker, explore and discover using a variety of tools and materials, and technology.
