

Regency Acres PS - Summer Institute Electives

****Available to youth entering Grades 4-8 only.**

Ball Sports

Looking for fast-paced excitement? Learn the fundamentals of a variety of ball sports like tennis, volleyball, hockey, football, soccer, and basketball and apply them to game situations.

Clay Play

Using clay and your creativity to make something from nothing, you will create your own item from scratch with raw clay. After you have created an original piece of art, you will use acrylic paint to enhance your design.

DigiArt

Students will learn the basics of digital photography. Each day's lesson will begin with a brief classroom introduction to a photographic technique (such as using the rule of thirds, photographing textures, using the macro setting, etc.). Students will then have the opportunity to experiment with their cameras and develop their skills with each technique learned. Students will choose a few of their favourite photos from the week's work to print and frame. They will write a short reflection piece for each of their photos, describing what makes their artwork effective.

Fine Arts

We take great pride in the extensive visual arts programs available at SI. Participants may explore their creative possibilities. Whether your child is a gifted artist or simply delights in experimenting, there is something for everyone.

Game On

In Game On, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games will range from "Capture the Flag", "Spud", "Frozen Critters" to various forms of dodgeball. Participants will also have an opportunity to create their own games.

Games Wizard

Invent your own reality! Learn about and play games such as chess, checkers, backgammon, minecraft, and wizards 101. Get ready to enjoy a week exploring and problem solving through themed and hands-on activities. Participants will work on different projects each week, incorporating concepts that will engage young minds.

International Language - Mandarin Simplified

Provides any child with the opportunity to immerse themselves in an international language. Participants who register for this elective will learn about the language and culture through different mediums such as; art, music, and literature, while also learning to listen, speak, read and write in the international language.

Lights Camera Action

Attention all photographers & videographers! This is your opportunity to learn and develop your skills in digital photography and video filming! Learn how to capture and manipulate images with the latest digital cameras and leading edge digital editing software.

MD2 Studio

A MD2- music, dance, and drama, is a class to explore elements of the performing arts. Investigate your artistic interests and create a variety of pieces to express your individuality, working with digital tools and other instruments.

Naturally Curious

Take a closer look at the world outside your doorstep! Go on an insect safari, play some cool interactive nature games, make some nature crafts, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

Ready, Set, Cook

Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

Ready, Set, Robotics

Participants will be introduced to a variety of different robotics. Come and explore the latest robotics and get ready to program and work through this self-directed program at your own pace.

Soccer

"Pass, shoot and score!" In this elective, participants will make use of a variety of training equipment to take their soccer skills to the next level.

Wacky Science World

Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will learn new and exciting concepts that will excite the scientist at heart.
