Woodbridge PS - Summer Institute

Programs

The daily program is comprised of a language block in the morning, along with activities in the afternoon. During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.

Words Alive

For children entering SK & grade 1, Words Alive is designed to further build literacy and numeracy skills. Activities may include: chants, music, games and puzzles, guided reading sessions, word hunts, and math mini lessons balanced with recreational activities such as music, soccer, field games, drama, arts & crafts and computer publishing.

Clubhouse

For children entering grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy and math activities designed to encourage problem solving and a growth mindset, balanced with recreational activities that may include: soccer, volleyball, arts & crafts, computer publishing, ball hockey and much more!

Skills and Motion

For youth entering grades 4 & 5, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

Skills and Motion 2

For youth entering grades 6, 7 & 8, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

Electives

During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:

Artzcool

You don't have to be an artist to be cool! If you like using your creativity, this is the place for you! Painting, drawing, colouring, collage making, crafts, and so much more! The sky is the limit because we try it all!

Basketball

An emphasis on basketball fundamentals is provided: ball handling and dribbling, fast breaks, lay-ups, passing, rebounding, setting screens, and zone defense.

Broadway Bound!

All the world's a stage and you can be at the centre of it! Delve into the world of theatre as you act and develop your performance skills. Get a feeling for what goes on behind the scenes as you perform a variety of dramatic forms and even write your own material.

Bucket Drumming

Get a real BANG out of your summer. Join Bucket drumming and learn basic rhythm skills as well as cool beats. Create exciting pieces of music working with other percussionists.

Coding and Robotics

Coding is the way we tell computers to do all the helpful things they do for us. From finding a contact on your phone so you can send a message, to directing a rocket into space, computers follow lists of instructions, a coder, or programmer has written. You can learn to code by starting with a short, simple program. Once you understand the basics, you can build up to bigger projects.

Dance

Participants will enjoy a week full of the latest music while they learn and perform cool dance moves in the SI dance studio.

Digital Creative Design

Learn how to create cutting edge advertisements, pictures, and Youtube videos. You will learn beginning areas of Print & Web graphic design, including colour theory, digital images, design, electronic prepress, page layout, web page design, and digital video.

Game On

In Game On, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games will range from "Capture the Flag", "Spud", "Frozen Critters" to various forms of dodgeball. Participants will also have an opportunity to create their own games.

International Language – Turkish

Provides any child with the opportunity to immerse themselves in an international language. Participants who register for this elective will learn about the language and culture through different mediums such as, art, media, and literature, while also learning to listen, speak, read and write in the international language.

Makerspace

Participants can plan, create and manipulate their creative ideas. They will have opportunities to invent, tinker, explore and discover using a variety of tools and materials, and technology. Participants will also experience break out boxes and board games.

Ready, Set, Cook

Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

Tournament of Champions

Climb the ranks in structured tournaments including air hockey, foosball, ping pong and other competitive games.

Wacky Science World

Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will learn new and exciting concepts that will excite the scientist at heart.
