## Programs

*The daily program is comprised of a language block in the morning, along with activities in the afternoon. During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.*

### Words Alive

For children entering SK & grade 1, Words Alive is designed to further build literacy and numeracy skills. Activities may include: chants, music, games and puzzles, guided reading sessions, word hunts, and math mini lessons balanced with recreational activities such as music, soccer, field games, drama, arts & crafts and computer publishing.

### Clubhouse

For children entering grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy and math activities designed to encourage problem solving and a growth mindset, balanced with recreational activities that may include: soccer, volleyball, arts & crafts, computer publishing, ball hockey and much more!

### Skills and Motion

For youth entering grades 4 & 5, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

### Skills and Motion 2

For youth entering grades 6, 7 & 8, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

## Electives

*During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:*

### **Artzcool**

You don't have to be an artist to be cool! If you like using your creativity, this is the place for you! Painting, drawing, colouring, collage making, crafts, and so much more! The sky is the limit because we try it all!

### **Ball Hockey**

Participate in the ultra-popular summer sport of ball hockey. Participants will work on passing, shooting and game strategies.

### **Field Invaders**

Have you ever used a bowling pin for something other than bowling? In the Field Invaders fanatic, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games you will play will range from "Capture the Flag", "Spud", "Frozen Critters" to various forms of dodgeball. Don't forget the famous game of tag, but with a twist! Participants will also have an opportunity to create their own games. Don't miss out on this new and exciting program!

### **Games Master**

Learn about the different strategies and elements of game theory. Through traditional board games and with technology, "Games Master" will further develop your problem solving, decision making, and critical thinking skills.

### **Makerspace**

Participants can plan, create and manipulate their creative ideas. They will have opportunities to invent, tinker, explore and discover using a variety of tools and materials, and technology.

### **MD2 Studio**

MD2- music, dance, and drama, is a class to explore elements of the performing arts. Investigate your artistic interests and create a variety of pieces to express your individuality, working with digital tools and other instruments.

### **Naturally Curious**

Take a closer look at the world outside your doorstep! Go on an insect safari, check out a local pond, play some cool interactive nature games, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

### **Racquet Sports**

Learn the elements of a variety of racquet sports (badminton, tennis, ping pong and more) and practice them in tournament style!

### **Ready, Set, Cook**

Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

### **Scooter Skills**

New to scooting? Learn the basic skills to safely ride a scooter and practice fun tips and tricks while exploring the local geography.

### **Sew Crafty**

Create cool crafts and hot trends in "Sew Crafty". A hand sewing program that will teach you hand stitching and embroidery. Create one of a kind pieces that will catch everyone's attention.

### **Soccer**

"Pass, shoot and score!" In this elective, participants will make use of a variety of training equipment to take their soccer skills to the next level.

### **Survivor**

Based on the adventure T.V. show, teams will compete in challenges to win rewards and build collaboration skills. Work together to solve puzzles, race in obstacle courses and match wits in exciting contests.

### **Street Ball**

Have you ever wanted to take the skills that you have learned in basketball and apply them to a game of basketball "pick up"? Well in this elective you will do just that. You will learn all the skills needed to beat your opponent and drive to the net! Sign up for this elective and you will be ready to challenge anyone in your neighborhood!

### **Wacky Science World**

Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will earn new and exciting concepts that will excite the scientist at heart.
