- Julliard PS capacity: 680 + 6 portables

Block 18 #2 Site – School Need

- Analysis of future development in the Block 18 area shows that there is not a sustainable threshold for two community schools for our Board
- However, there is a need for additional student accommodation at Dr. Roberta Bondar PS
 - 2 rooms added for Full Day kindergarten
 - 7 classroom addition for 2nd floor

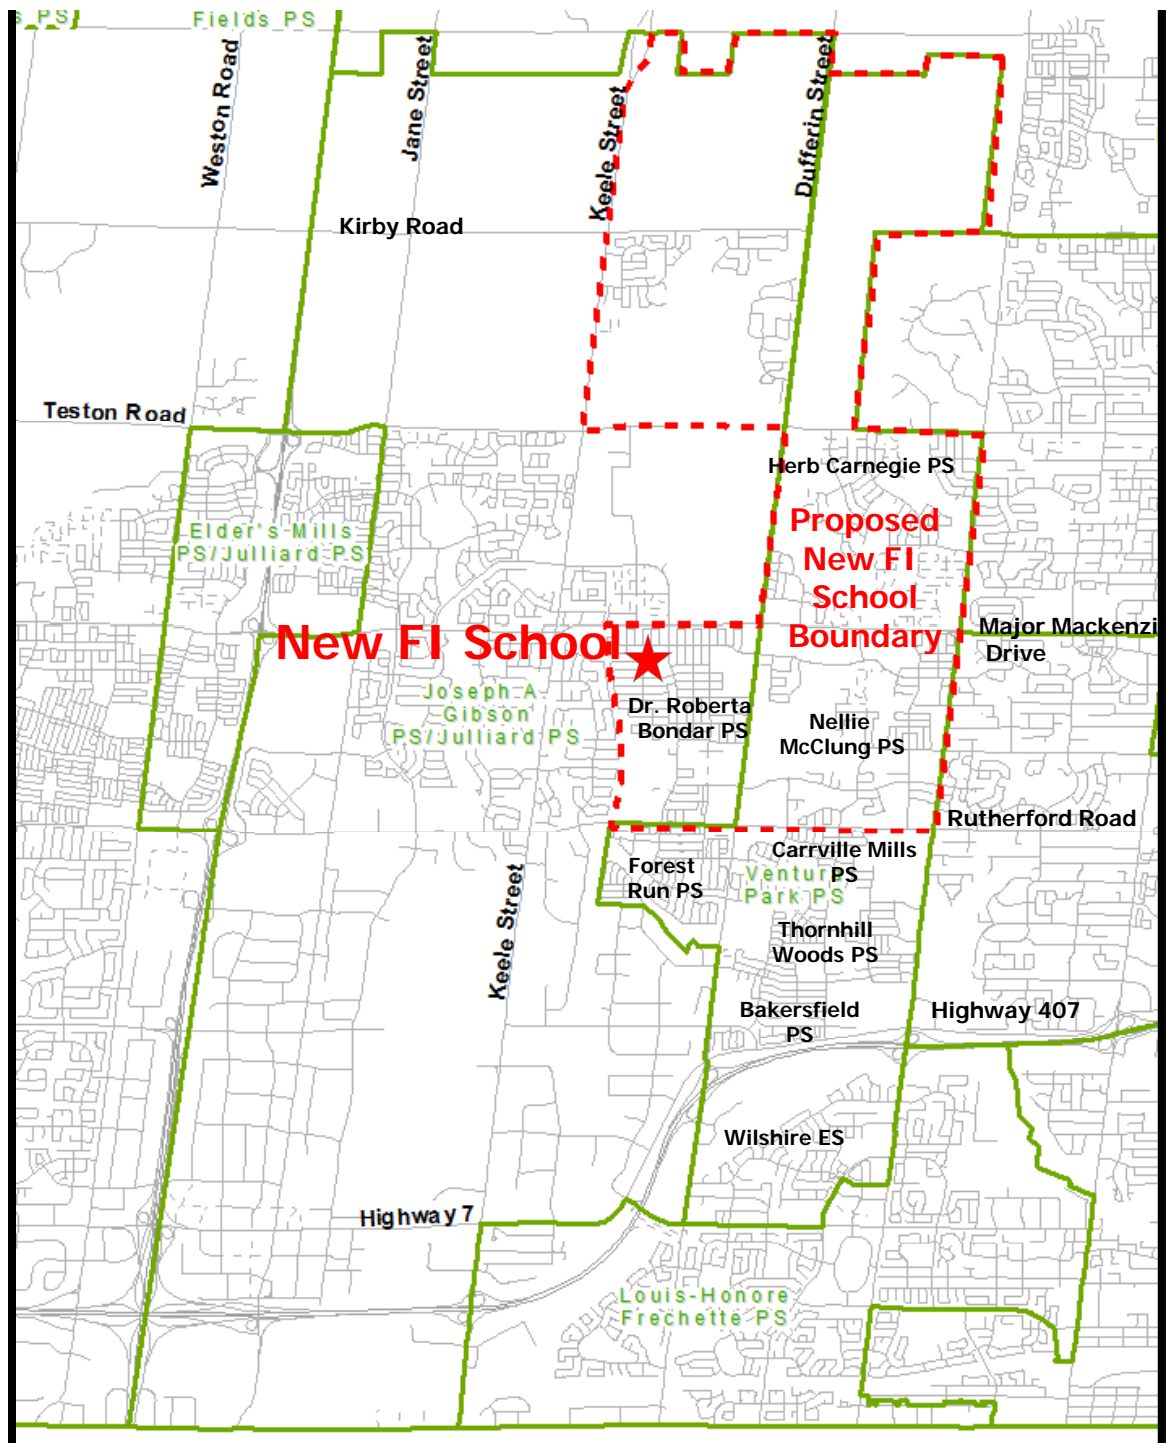

FI Accommodation Need

- There is a greater need for FI school accommodation than regular track accommodation in the Bathurst-Dufferin corridor due to new development
- To help with the FI program at both Julliard PS and Ventura Park PS, the Block 18 #2 site will open in Sept 2015 as a single track FI school for Grades 1-8

Creation of New FI Boundary

- Public meeting in Fall 2013 for boundary review process:
 - Dr. Roberta Bondar PS absorbing Unnamed Block 18 #2 boundary
 - Boundary for Block 18 #2 FI school

York Region District School Board

Current Julliard PS Students that reside in New FI Proposed Boundary

- New FI school opens in September 2015
- All current Grade 6 to 8 students will graduate from Julliard PS
- Existing Grade 5's will enter Grade 8 in September 2015
 - These students will be given the option to remain at Julliard PS for Grade 8 or attend the new FI school if student resides in proposed boundary

Current Julliard PS Students that reside in New FI Proposed Boundary

- Grade 1 – 4 students who will become Grade 3 – 6 in June 2015 as per Board policy 108 will be expected to move to new FI school

Incoming Grade 1 Students in 2013-14 that reside in New FI Proposed Boundary

- Incoming Grade 1 students will attend Joseph A. Gibson PS and move to Julliard PS for Grade 2
- These incoming students will be given the option to remain at Julliard PS until graduation or move to the new school
- Board practice is that we try not to move student more than two times. For these students, the move to the new FI school would be their third Board directed move

Incoming Grade 1 Students in 2013-14 that reside in New FI Proposed Boundary

- Older siblings of these students will be given the option to remain at Julliard PS until graduation or move to the new school
- Future registrants from these families would be expected to attend new FI school

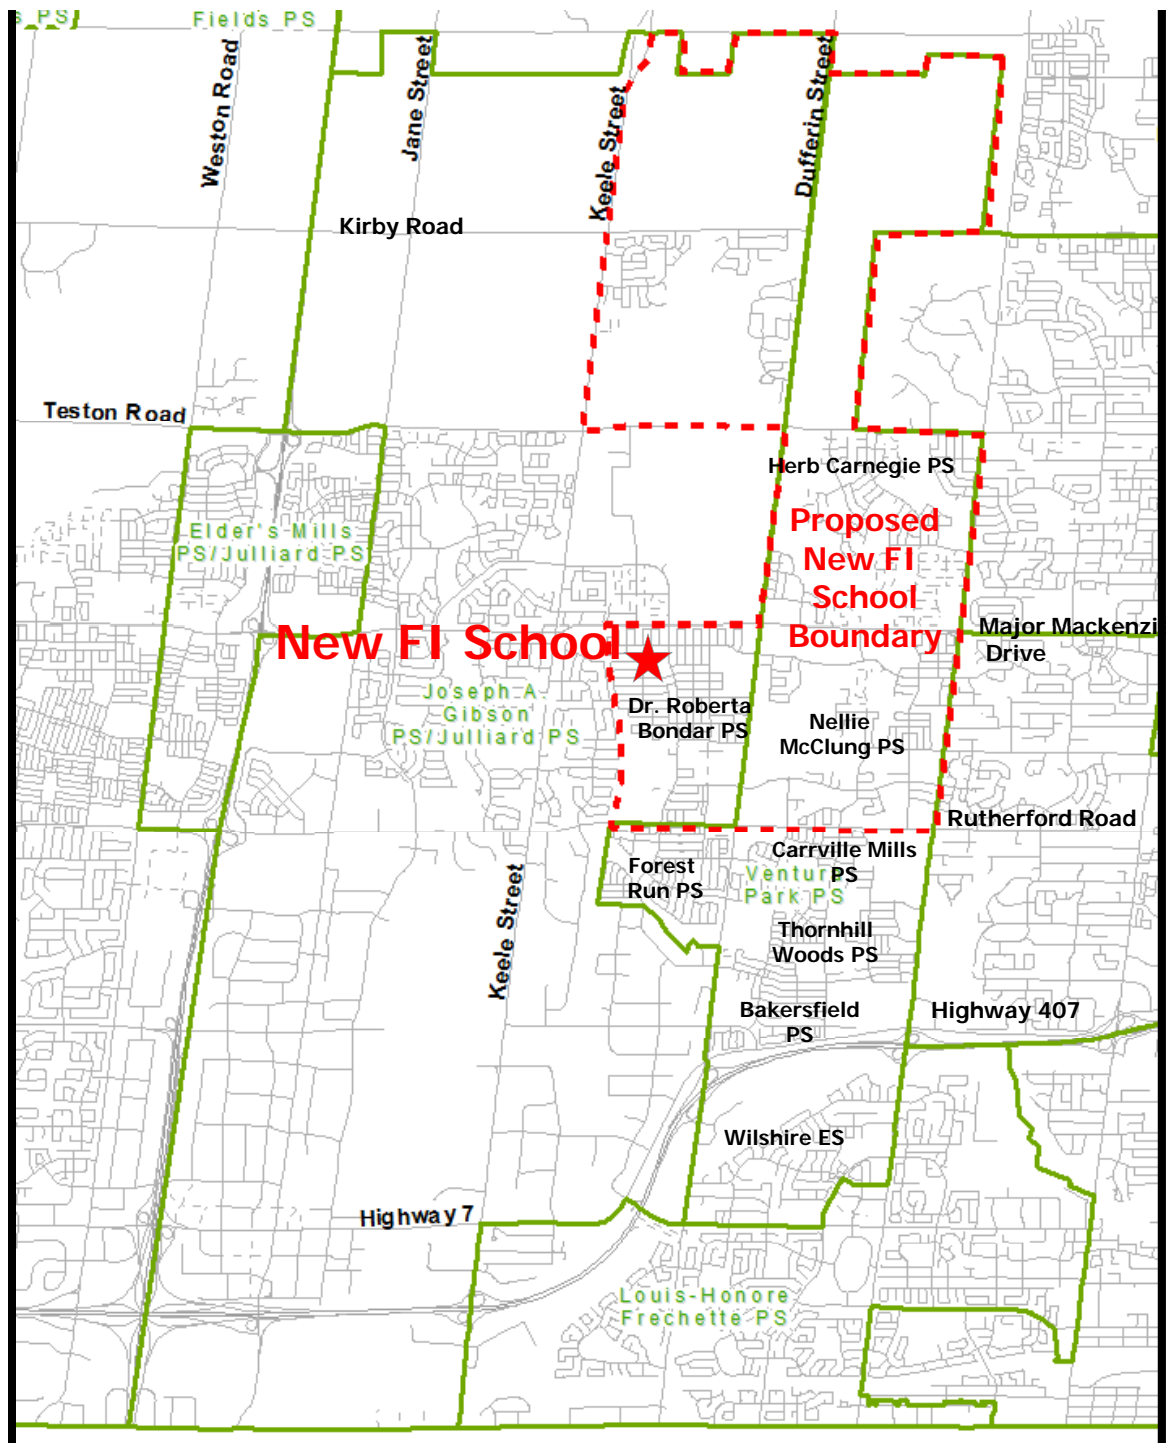

Incoming Grade 1 Students in 2014-15 that reside in New FI Proposed Boundary

- Incoming Grade 1 students in 2014-15 will attend Nellie McClung PS and move to the new FI school for Grade 2

New FI School

- In September 2015, students residing in the new FI boundary will be expected to attend the new FI school
